SWPPP COMMENTS

PROJECT NAME:	COVINGTON
PROJECT LOCATION:	S/B/L
P.B. PROJECT NO.:	01-41
APPLICANT'S REPRESENTATIVE:	ENGINEERING PROPERTIES
PREPARATION DATE:	16 MAY 2006
MEETING DATE:	TBD

Our office has reviewed the Stormwater Pollution Prevention Plan (SWPPP), dated revised March 2006, with regard to the subject project. The project proposes the development of a residential property into a townhome style residential community with a total disturbance of approximately 17 acres. Upon our review of the aforementioned revised SWPPP, we find the plan to be in substantial compliance with the New York State Department of Environmental Conservation "SPDES" General Permit for Stormwater Discharges from Construction Activities, Permit GP-02-01. As such, this office takes no exception to the SWPPP as submitted.

Respectfully submitted,

MCGOEY, HAUSER & EDSALL
CONSULTING ENGINEERS, P.C.
